

“DOOR PRIZE ASSISTANCE FORM”

At the IEC’s Tradeshow which will take place on May 10, 2018 at the Agricenter International, the IEC will conduct drawings for door prizes. The attendees really enjoy this aspect of the tradeshow, while at the same time it gets your company’s name in front of everyone. We are looking to add quality to the tradeshow, so if you do want to donate a door prize, we ask that you please ensure that it is valued at no less than \$25.

For each company that donates a door prize we will generate a sign with your company’s name on it and have it posted on stage. So it is critical if you plan to donate a door prize, that the IEC receives your door prizes no later than Friday April 27th. Being everyone is busy these days, we have been asked in the past could the IEC staff just go purchase door prizes for a specific company, and if they are IEC members, just invoice that company. The answer has been yes and it has worked very well. Therefore if you would like to use this service, please complete this form and fax it back to the IEC at (901) 682-4496 or e-mail it to vicki@midsouthiec.org .

Yes I am an IEC member and would like the IEC to purchase door prizes in behalf of my company and just invoice me for them.

Or feel free to call the IEC at (901) 682-3546 with your credit card information.

company name	your name
date	signature
